

What are we learning in Harlyn Bay this term?

Spring Term - January 2024

Dear Parents/Carers and children,

This term we will be learning about:

What's here?

We will learn about our local area. The main topics covered will be:

- Seasonal changes – winter and spring.
- Our local area – main features e.g. shops, houses, roads, woods, river etc.
- Local occupations with a focus on people who help us e.g. nurse, police etc.
- Homes in the past – how were they different to our homes today?
- Woodland animals
- Farm animals and the food they provide.
- Local trees and flowers.

PE

Our PE day continues to be on a Wednesday so the children can come to school in their PE clothes.

If you have any questions or concerns please send me a message on Seesaw so that these can be addressed quickly.

Many thanks

Miss Martin & Mrs Feakins
